Christofle, Malmaison, sauce boat, 0.24 l, silver-plated

This silver-plated sauce boat takes us on a journey through time into the imperial empire of Napoleon Bonaparte. The Malmaison collection from the house of Christofle typifies the Empire style and features characteristic strict lines and sophisticated materials. The aesthetic sauce boat has a capacity of 0.24 l and cuts a tasteful figure even without exquisite sauces or dips. The exceptionally sophisticated design is evident in a finely engraved palmette border at the foot of the sauce boat and an elaborately crafted eagle's head that rests majestically over its contents. The extensive collection offers many more stylish pieces: Either for the well-laid table or as an interior feature – surrounding any environment in imperial flair.

About Christofle

The Malmaison series crowns every table and interior design: Created in 1967, the series is regarded as Christofle's Empire model, named after the Château de la Malmaison near Paris, the favored country residence of the imperial couple Napoleon Bonaparte and Joséphine. The characteristic elements of this splendid style are the symmetrical decor with water leaf motifs and openwork lotus leaves.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
