Christofle, Vertigo, ice bucket, silver-plated

Created by French designer Andrée Putman for traditional company Christofle, the Vertigo series features a thick, subtly asymmetrical ring that rounds off the extraordinary silver pieces in style. With a height of 16 cm, the silver-plated ice bucket is magnificent, timeless and practical all at once. It sets a stylish stage when serving ice variations, particularly in combination with the matching ice tongs. Together with the Champagne coolers from the collection, the ice bucket is guaranteed to become the secret highlight at the next guest reception.

About Christofle

The silver pieces from Christofle's Vertigo collection surprise with simple elegance and detailed sophistication. Created by the French interior designer Andrée Putman, these exceptional pieces feature a distinctive asymmetrical ring that tastefully adorns trays, candlesticks and other interior accessories.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
