Christofle, Vertigo, cake stand, 2 tiers, silver-plated

Created by French designer Andrée Putman for traditional company Christofle, the Vertigo series features a thick, subtly asymmetrical ring that rounds off the extraordinary silver pieces in style. This theme appears in the 18 cm high, silver-plated cake stand in the form of a centrally positioned handle. The stand's attractive aesthetics reflect the sophisticated elegance of the collection: Its two tiers are ideal for the particularly tasteful serving of petit fours, pralines, fruit or delicious savory snacks. The bottom tier has a diameter of 14.5 cm, while the top tier is somewhat smaller with a diameter of 11 cm. The extensive collection not only offers a larger version of the cake stand but also many more stylish interior and table accessories that let their surroundings radiate inspiration and brilliance.
