Christofle, Silver Time, square tray, 20x20 cm

The silver-plated, square tray is 20 cm wide and 20 cm long and is part of the Silver Time collection from Christofle in collaboration with designer Jean-Marie Massaud. It is also available in a round and rectangular version and bears the aesthetic signature of the duo: clear, purist lines with high-quality material, adorned with the iconic Christofle coat of arms. The tray is discreet and yet a stylish eye-catcher that is equally as suitable as a decorative object as it is for serving fine delicacies at brunch.

### About Christofle

With the Silver Time series, Christofle presents its first complete brunch service. In collaboration with French designer Jean-Marie Massaud, Christofle reinterprets traditional silverware and transforms it into a symbol of the contemporary art of living. In an accentuated material mix with sophisticated borosilicate glass or flax fibers, the silver-plated products with their clear and modern yet elegant appearance invite to a relaxed, spontaneous and informal brunch among friends or family.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
