About Christofle

With the Jardin d'Eden series, Christofle creates the visual retelling of a walk through the paradisiacal garden of Adam and Eve. Dutch designer Marcel Wanders is responsible for the design of these extraordinary pieces. With his creations for this sophisticated collection, he celebrates the resurrection of Baroque with the influence of Minimalism. Typical for the collection is the fine, intricate engraving, which brings flowers and opulent gardens to mind. It's clear why Jardin d'Eden is one of the iconic series from Christofle.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
