Christofle, Graffiti, rectangular tray, 20x26 cm, silver-plated

The silver-plated, rectangular tray from the Graffiti series reflects not only the signature of the traditional company Christofle, but also that of the La Tête au Cube design studio. In doing so, it becomes a loving space for communication and full of artistic relevance. The 20x26 cm tray, which is also available in a larger and a smaller version, is decorated with engravings of contemporary graffiti that cover the entire inside of the tray right up to the edge. With this sophisticated collection, Christofle shows that trays can not only act as practical coasters, but also convey complete messages – in a casual and humorous manner.

About Christofle

With the Graffiti series, silversmith Christofle shows that modern street art elements combined with high-quality materials have earned their place in aesthetic interior design. The engravers of the traditional company, in collaboration with the design studio La Tête au Cube, use classic silver trays as a canvas for sophisticated communication: In this way, small, timeless works of art are created with irony and a modern signature.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
