The Fidélio collection from Christofle not only reflects extraordinary pieces made from sterling silver or silver plating – its name is a tribute to Beethoven's only opera, which expresses the tenderness of a love story. That's exactly how this elegant, timeless series manifests itself: graceful curves that shine radiantly. 18 cm wide and 24 cm high, the silver-plated, tarnish-proof picture frame is an eternal companion for beautiful memories. Available in other sizes, it is also suitable as an extraordinary gift. This collection offers silver pieces that faithfully and stylishly accompany meaningful moments.

About Christofle

A collection for a lifetime: The timeless Fidélio series captivates with its simple, classic design and elegant, rounded shape. It was one of the first creations from Christofle and was known back then under the name of Baguette. Later, this sophisticated collection was reinterpreted with flowing lines and has been available again under a new name since 1992.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
