The refined fantasy of the series plays with the company's trademark: The hexagon, which is reminiscent of a honeycomb. The little box with a diameter of 4.2. is perfect for storing milk teeth or jewelry – no secret has ever been this beautiful.

About Christofle

With the Beebee collection, Christofle sends children and their parents on a journey into nature. With engraving reminiscent of the Madison 6 collection, Beebee represents the company's trademark: the Christofle hallmark of the famous silver cutlery. In addition, the number 6 stands for the six sides of a honeycomb, the pattern of which is engraved onto the unique pieces.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
