Product information "Necklace 43 cm sterling silver 925"

- Materials: Sterling Silver
- Measurements: L: 430 mm
- Design year: 2004

INFINITY builds on that theme and takes its design inspiration from the symbol for infinity and the number "8."

Famed designer Regitze Overgaard chose this theme because it is a way to reflect on the past as well as look to the future. In her designs, it is the shape that provides character, rather than additional adornment. The necklace is a continuous circle, the joining of 15 beautiful links. The pieces are substantial but light, thanks to their fluidity. The curved shape is easy to wear, a great addition to your every day look.
