Christofle, Albi, salad serving spoon, silver plated

Not only the name of the Albi series by Christofle, but also the clear design with strict, straight lines is inspired by the Gothic cathedral of the French town of Albi. The salad serving spoon is 25 cm long and, thanks to its high-quality Christofle silver plating, it is also dishwasher-safe. Its wide head makes it ideal for the aesthetic serving of fine salad compositions – especially in combination with the salad serving fork. The large selection in this collection not only includes stylish flatware for appetizers, main courses or desserts – it also fulfills desires for sophisticated sterling silver or stainless steel cutlery.
