Christofle, América, menu knife, silver plated

The América series from Christofle pays homage to 1920s America and an eclectic blend of two worlds: Clear, striking lines with timeless elements such as the precise, beveled edges – presented on materials of the highest quality. The silver-plated menu knife with stainless steel blade is 23.2 cm long and dishwasher-safe. It makes the enjoyment of exquisite meals an even more aesthetic affair – particularly in combination with the menu fork and spoon. This elegant collection also offers stylish cutlery for appetizers or main courses and spirits you away into a world of refinement and sophisticated architectural design.

About Christofle

Please come in and close the doors: With the América series, traditional French company Christofle embarks upon a journey through time to the United States of the 1920s, full of inspiring music, literature and lifestyle. The beveled edges, the graded relief and the clear lines of this timeless collection also pay homage to the Art Deco style of the golden 1930s.
