Christofle, Malmaison, flat bowl on foot, ø 18 cm, silver-plated

This silver-plated bowl takes us on a journey through time into the imperial empire of Napoleon Bonaparte. The Malmaison collection from the house of Christofle typifies the Empire style and features characteristic strict lines and sophisticated materials. The beautifully shaped, sophisticated design takes the form of a flat, sweeping bowl which features a border of finely engraved palm tree tops. The same pattern is featured on the foot, on which the bowl is enthroned. With its aesthetic design and a diameter of 18 cm, it is already truly tasteful even when empty – but it is also an elegant interior piece for holding fruit. Both magnificent and timeless, this extensive collection offers further bowls in different sizes – which surround any environment in imperial flair.

### About Christofle

The Malmaison series crowns every table and interior design: Created in 1967, the series is regarded as Christofle's Empire model, named after the Château de la Malmaison near Paris, the favored country residence of the imperial couple Napoleon Bonaparte and Joséphine. The characteristic elements of this splendid style are the symmetrical decor with water leaf motifs and openwork lotus leaves.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
