About Christofle

The source of inspiration for the Spatours series lies in the 18th century. Its generous forms feature exquisite ornamentation: A delicate thread adorns the lines of this collection, lending it softness and harmony. An elegant design that has stood the test of time: The Spatours series could already be admired in Christofle's first catalog in 1862 and has represented the stylish master craftsmanship of the traditional French company ever since.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
