Product information "Dessert Knife"

Experts recognise the Robbe & Berking Alt-Faden immediately. The thread pattern as manufactured by Robbe & Berking originates from approximately 1760. Augsburg silversmith work bordered by a single or double silver thread was developed very early on in the history of silverware. The fact that this thread is repeated on the rear side and runs out into a shell shape is the unmistakable proof for those in the know that an item comes from Robbe & Berking.

Length: ca. 21.4 cm
