Product information "Gourmet Spoon"

Alt-Spaten impresses customers with its almost horizontal shoulders and the extended spade-shaped handle. The spade pattern originated in this classic form at the start of the 18th century. The expressive "ear" shape below the mouthpiece is particularly artistic. These "ears" can only be worked individually by hand into this shape - another detail of this well-known classic which is typical of Robbe & Berking.

Length: ca. 18.5 cm
