Product information "Mug 0.25 l"

The Meissen mug collection is the result of the close collaboration between the creative directors and artisans. It is a showcase of diversity, variety, and innovative ideas, but also the spontaneity of beauty. Floral and abstract patterns, stylized symbols, animal illustrations, and portraits are some of the examples of the twenty distinctive motifs created for this series. The mugs' many embellishments, applied using a variety of techniques, along with their sleek design and modern color schemes make them a favorite for personal use or for gifting to others.

Artist/Design: Otto Drögsler & Jörg Ehrlich, 2017
