Product information "Moon Bear 8 cm"

For this exquisite work, Otto Drögsler has reinterpreted Erich Hösel's 1907 bear figurine by applying an abstract composition of colorful decor, inspired by the firework of hues that is Indian Summer. The color blots adorning the bear find their natural counterpart in sun rays illuminating colorful treetops and the resulting interplay of light and dark. The precision with the colors are applied to the miniature, eight-centimeter tall figurine testify the extraordinary masterly craftsmanship of Meissen's artisans.
