Product information "Georg Moneyphant"

The MONEYPHANT is a stylish and adorable way to save your coins.

In 1989, Jørgen Møller and his grandchild designed the elephant bottle opener, which went on to become a global favourite. Over the years more elephant-themed designs followed, including cutlery, picture frames, a key ring and a set of dinnerware for children.

In 2010, Møller teamed up with his great-grandchild to come up with this sleek piggybank. The MONEYPHANT is a wonderful gift and a great way to teach a young person about saving up money.

The MONEYPHANT is made from mirror polished stainless steel, and the design bears the hallmarks of classic Scandinavian technique; it is strong, elegant and highly functional.

Materials: Mirror polished stainless steel, ABS plastic

Dimensions: 12.6x6x17.3 cm
