Sieger, Mug SIP OF GOLD: The Sparkling 4 & Friends, Rumble Rex

The goblets SIP OF GOLD are a combination of incredibly thin porcelain and finest precious metal. With its 24-carat gold coating on the inside, it offers a whole new drinking experience. The light is reflected hundreds of times to create the sparkling and beguiling effect of liquid gold. Some of the tumblers of SIP OF GOLD feature an elaborate white, black or platinum relief on the outside, whereas others appear in the graphic Ca' d'Oro decor.

With the four heroes, you too are doing good. SIEGER donates all proceeds from the sale of the The Sparkling 4 tumblers to the Netzwerk für Demokratie und Courage (Network for Democracy and Courage), in which young people work to tackle discrimination and build support for a pluralistic society and democratic culture.
