Product information "Vase with snowball blossoms"

Manufacturer: Meissen

Article: Vase with snowball blossoms

Designer: Paul Scheurich

Height: 25 cm

Material: Porcelain

Handmade in Germany

Limitation: 50

The "Vase with Snowball Blossoms" is a meeting point of design contrasts. The basic shape of the vase is architecturally straightforward. The square of the base of the vase moves upwards - the circle receives four corners, so that the vase can close squarely at the upper edge again. At first glance, this ingenious basic form fades into the background, because the "Snowball Decor" attracts all attention.
