Frederique Constant unveils its new pieces within the Ladies Automatic collection introducing five new models adorned with diamonds, heart-pattern embossing and new metal bracelets according to each model. This emblematic design has been a renowned success for Frederique Constant over the years, becoming a true feminine expression of the brand's interpretation of time.

Two models are powered by the FC-303 automatic movement decorated with Colimaçon finishing in a 36mm slim and feminine case embellished with diamond-set bezel displaying hours, minutes, seconds and date at 3 o'clock. The watch is available in bi-color stainless-steel rose gold-plated bracelet or a blue alligator leather strap.

Additionally, there are three models powered by the FC-310 automatic movement which also has the Colimaçon decoration displaying the Double-Heart Beat aperture at 12 o'clock, protected by a convex sapphire crystal, where the beating automatic movement can be admired. Displaying hours, minutes and seconds and presented with a stainless steel or bi-color stainless steel rose gold-plated bracelet or navy blue alligator leather strap.

Both calibers are Swiss made with 26 jewels, beating at 28'000 alt per hour, offering a 38-hour power reserve and a water resistance up to 50 meters.

All the timepieces boast hand-applied Roman numerals on a sunray embossed dial, applied diamond indexes and hand-polished silver coloured or rose gold-plated hands.
