Product information "Salt and Pepper Caster 8.8 cm stainless steel"

Bringing a sense of timeless style to your dinner table, the Bernadotte salt & pepper shakers are the obvious choices for any serious food and design enthusiast.

The first Bernadotte pieces were released in 1938, inspired by the Art Deco style of that time. They were designed by Swedish Prince Sigvard Bernadotte – and his namesake collection is one of the most popular and successful collaborations in the history of Georg Jensen.

The Bernadotte salt and pepper shakers are made from stainless steel. They are sold as a pair – and they are the perfect gift for any occasion.

Height: 8.8 cm
