Product information "Vide-Poche with Butterfly 21x18.5 cm"

Perched on the sleek shape of the vide poche, the porcelain butterflies sit as though they had just landed a moment ago, their wings still fluttering. They are one of the first harbingers of spring; a figure that radiates joy and light-heartedness. The butterflies' delicate bodies are a testament to the precise embossing techniques upheld by Meissen's artisans. The various parts of the wings are retouched by hand - with a special focus placed on their veins and cells - and then applied to the surface. The geometric lines of the vide poche and its glossy white surface stand in stark contrast to the elaborate, filigree ornamentation. A lively interplay of traditional craftsmanship and contemporary design captured in exquisite porcelain.

Dimensions: 21x18.5 cm
