Product information "Fineliner Doué"

The new StarWalker is about walking amid the stars. It's about exploring the cosmos and foreign galaxies, about being part of one of the most mysterious and powerful of human kind's adventures: space exploration. The collection's new design celebrates the immense emotion, described by all space travelers, of seeing our blue planet floating in the vast expanse of space. The unique StarWalker emblem technology features a blue translucent dome beneath the Montblanc emblem, reminiscent of the Earth emerging above the lunar horizon. The StarWalker Doué comes with a platinum-coated cap and fittings and a black precious resin barrel.
