Christofle, Mood, individual sauce spoon silver-plated

The silver-plated individual sauce spoon, also called the gourmet spoon, is part of the Mood series by Christofle and boasts a puristic design with clear, timeless lines. It is dishwasher-safe and fits perfectly in the hand thanks to its special shape. Due to the flat ladle with notch on the right-hand side, it can be used for sauces, desserts or in place of a fish knife. Even without the avant-garde Mood design egg, this modern cutlery is very popular. In addition to espresso and coffee spoons, table or dessert cutlery, Christofle also offers many complementary products in the Mood series, for example serving cutlery, thereby fulfilling every wish for high-quality and stylish cutlery for appetizers, main courses or desserts.
