About Dibbern

The family-run Dibbern manufactory is located in Bargteheide, Schleswig-Holstein. Dibbern combines traditional craftsmanship and quality with the highest standards of product design. One of its bestsellers is the Solid Color series, which has been in the program for 30 years and is one of the most popular products of the manufactory. It also offers various Fine Bone China lines in numerous shapes and decors. Fine Bone China sets itself apart through its higher percentage of bone ash, which makes the porcelain appear particularly delicate, yet also makes it extremely stable.
