Christofle, L'âme de Christofle, dessert spoon

The L'âme de Christofle collection is another outstanding cutlery line that combines the Christofle tradition with modern elements. Here, contrasts merge into a unity – fine, straight lines form a synergy with solid stainless steel. Thanks to its minimalist shape, the 17-cm-long dessert spoon sits particularly well in the hand. In combination with the matching dessert knife and fork, desserts become an aesthetic highlight. All pieces in this collection are dishwasher-safe.

About Christofle
