### Christofle, L'âme de Christofle, dessert fork

The L'âme de Christofle collection is another outstanding cutlery line that combines the Christofle tradition with modern elements. Here, contrasts merge into a unity – fine, straight lines form a synergy with solid stainless steel. Thanks to its minimalist shape, the 17-cm-long dessert fork sits particularly well in the hand. In combination with the matching dessert knife and spoon, desserts become an aesthetic highlight. All pieces in this collection are dishwasher-safe.

### About Christofle

For the L'âme de Christofle series, the traditional French company collaborated with Ibiza-born designer Eugeni Quitllet, known for his work in the most prestigious luxury and interior design stores. The result is astounding: Clear, innovative lines and puristic elegance merge to form an unmistakable, modern collection.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufacturing in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
