## Product information "Pepper or salt geared mill PowerMill"

Manufacturer: AdHoc

Designation: Pepper or salt geared mill PowerMill

Height: 12.5 cm

Material: stainless steel/red oak wood, high-efficiency grinder CeraCutXL®

The PowerMill geared salt or pepper grinder is the culmination of years of know-how and experience, combining the benefits of all the various developments. The Planet+® gears with a 2:1 ratio are so smooth that even the hardest salt is easy to grind. The extra-large, high-performance, stainless and wear-free CeraCutXL® ceramic grinder imparts no flavour or odour. PowerMill can handle any type of salt or pepper, with excellent results every time. The grinder even processes larger peppercorns, for example allspice or Tasmanian pepper, quickly and reliably. The viewing window in the shape of a stylized Peppercorn is a neat feature.
