Original flower watering can 1.70 l

On the occasion of Stelton's 60th. anniversary in 2020, the timeless and classic Original flower watering can is relaunched.

Simultaneously, the relaunch is a tribute to Peter Holmblad who back in 1978 designed the watering can. Holmblad is the designer behind every product in the Original-series which is a central part of Stelton's design DNA. With its elegant idiom, functionality meets aesthetics and in addition to its original function it is also a decorative sculpture when not in use.
