### **Christofle, Malmaison Ruche, table cutlery 38-piece set, silver-plated**

With the La Ruche collection, Christofle revives traditional French table culture in modern glamour and presents a luxurious and decorative design element with practical benefits. Because in addition to the aesthetic appeal of a highly polished stainless steel cloche with fine Christofle engraving and functional knob, the wooden base made from exotic Vietnamese black lacquer offers a cutlery insert for the extraordinary cutlery series from Christofle. This version features the 38-piece silver-plated and dishwasher-safe cutlery from the Malmaison collection. It features a delicate decoration in Empire style. The set consists of six table knives, forks and spoons, six dessert knives and spoons as well as a serving spoon and a serving fork. La Ruche is also presented with the iconic cutlery series Marly and Jardin d'Eden – making cutlery an elegant eye-catcher and contemporary interior piece for every occasion.

### **About Christofle**

The Malmaison series crowns every table: Created in 1967, this line is considered the Empire model by Christofle, named after the Château de la Malmaison near Paris, the favored country residence of the imperial couple Napoleon Bonaparte and Joséphine. The characteristic elements of this splendid style can be seen in the symmetrical decor with water leaf motifs and openwork lotus leaves.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
