Dibbern, Solid Color, egg cup

The tasteful, petrol-colored egg cup is part of the Solid Color series by Dibbern. This collection radiates colorful diversity. As the color is applied by hand, the pieces show individual deviations in shade. The egg cup is dishwasher-safe and microwavable, making it particularly easy to care for. The bluish-green color can be combined and complemented with many of the other hard porcelain pieces from this extensive collection.

About Dibbern

The family-run Dibbern manufactory is located in Bargteheide, Schleswig-Holstein. Dibbern combines traditional craftsmanship and quality with the highest standards of product design. One of its bestsellers is the Solid Color series, which has been in the program for 30 years and is one of the most popular products of the manufactory. It also offers various Fine Bone China lines in numerous shapes and decors. Fine Bone China sets itself apart through its higher percentage of bone ash, which makes the porcelain appear particularly delicate, yet also makes it extremely stable.
