MÖBIUS—a Georg Jensen classic

The MÖBIUS sterling silver earclips are inspired by geometry and a magnificent example of post-modern innovation.

In math, a MÖBIUS is a shape with one surface and one edge. The collection is built upon this fascinating shape, rendered beautifully in each separate piece. It is a fluid, infinite shape that inspires reflection.

Launched in 1968, MÖBIUS is a great example of Georg Jensen design from the mid to late 20th century. The earclips are crafted with the highest attention to detail so that they are comfortable and secure.

Inner and outer beauty come together in MÖBIUS.
