Maison Berger Paris, lamp Matali Chestnut

French company Maison Berger Paris offers a symbiosis of optimal air purification, nuanced fragrances and creations full of design. The fragrance lamp Matali was designed by industrial designer Matali Crasset. It has a height of 19.5 cm and is featured in high-quality brown glass with luxurious silver crown. With the refillable fragrance essences, available separately, the lamps provide even diffusion and immerse any room in subtle, elegant scents.

About Maison Berger Paris

Maison Berger Paris, known as Lampe Berger until 2020, is where the French savoir-faire of design, nuanced perfumes and well thought-out technology come together. For 120 years now, Maison Berger Paris has been inspiring with innovative products that also bear iconic character as objects for the home. Originally designed to ensure sterility in 19th century hospitals, the system of diffusion by catalysis developed not only destroyed odors but also purified air. To this day, the products impress with unique fragrances, pleasantly purified air and an added touch of elegance.
