Caran d'Ache makes use of its unique expertise in the fields of colour and fine engraving to enhance and enrich the chromatic palette of the Léman collection. Bathed in light and ruffled by the wind, waves come to life with the new Léman Grand Bleu. The delicately engraved background evokes the regular ripples of waves on the water's surface. A layer of translucent lacquer, reminiscent of the intense blue of the ocean depths, reveals these undulating reflections on the refined body of Léman Grand Bleu writing instruments.
