Christofle, L'âme de Christofle, vegetable spoon

The L'âme de Christofle collection is another outstanding cutlery line that combines the tradition of Christofle with modern elements. In the process, opposites merge into one – fine, straight lines form a synergy with solid, stainless steel. Thanks to its minimalist shape, the 26 cm long vegetable spoon lies particularly comfortably in the hand. It makes the serving of fine vegetable variations an aesthetic highlight. All pieces from this collection are available in matt or polished stainless steel. As a result, they not only go with any tableware but are also dishwasher safe.
