With a size of 21 x 18.5 cm, the Vide-Poche "Swords Fantasy" presents the Meissen manufactory's signet imaginatively interpreted. As the oldest trademark in Europe, the signet embodies extraordinary quality until today. Surrounded by Indian flower branches, the Crossed Swords are a historically inspired decorative highlight on gleaming white Meissen porcelain. The new "The MEISSEN Vide-Poche Collection" includes versatile storage bowls made of Meissen porcelain with modern designs that are closely linked to the history of the manufactory. The tradition of Indian flower painting goes back to the year 1720, when the flowers first adorned tableware and vases. Give away traditional craftsmanship with the Vide-Poche "Swords Fantasy".
