The large Vide-Poche "Ming Dragon Purple" with a size of 21 x 18.5 cm shows one of the most iconic and oldest decors of the manufactory and is part of the new "The MEISSEN Vide-Poche Collection", with which MEISSEN presents a unique series with motifs from over 300 years of manufacturing history. The versatile storage bowls made of Meissen porcelain are real all-rounders, as they are the perfect place for keys, office utensils or sweet little things. As it combines modern design with traditional craftsmanship, the Vide-Poche "Ming Dragon Purple" is the perfect gift idea. The Ming Dragon, based on the Chinese model, looks back on a fascinating tradition that began in the first half of the 18th century. Symbolic of the spirit of change, the decor has been implemented in eight colour variations on Meissen porcelain over the past three centuries.
