Product information "Twinwallet Optical titanium/blue"

With two Cardprotectors to hold double the content, the Twinwallet carries up to 20 cards, cash and receipts, but remains compact in size.

The aluminium Cardprotector is the heart of the minimalist wallet. It has a patented sliding system that gives access to the cards you use most with one simple click. Additionally, the Cardprotector protects your cards against bending, breaking and unwanted wireless reading of RFID and NFC cards. The Cardprotector won the Red Dot Design Award 2009.

Two Cardprotectors (8-12 cards), four extra cards, banknotes, business cards, receipts.
