The Green tools collection makes it easy to eat more vegetables with a range of utensils to facilitate preparation. All the tools and knives have been specifically developed for preparing vegetables and fruit. The tools are easy to clean as they are all dishwasher-safe.

Enjoy the juice – and only the juice – of tasty citrus fruit. Gently turn the fruit against the core of the press, and allow the juice – sieved of pips – to run through the handle of the press, which acts as a funnel, straight into a jug or glass.
