A bold and contemporary twist on traditional ear stud design.

The Mercy ear stud wraps the ear lobe with smooth elegance, almost becoming at one with the wearer. Its fluid shape symbolises the transformation of life, and the soft curves represent the passage of time.

Created for Georg Jensen by American designer Jacqueline Rabun, the Mercy collection is both expressive and emotional – and serves as a great example of how she merges a bigger meaning with appearance.

The Mercy ear stud is expertly made from sterling silver.
