Product information "Earrings sterling silver 925"

Manufacturer: Georg Jensen

Designation: Earrings

Series: Moonlight Grapes

Year of creation: 2020

Dimensions: 59 mm

Material: 925/000 sterling silver, oxidized

Dramatic and sculptural, these sterling silver earrings resemble an abstracted bunch of grapes that hangs down elegantly from the ear. The beads have an oxidised finish that accentuates their sculptural form and are articulated in different sections bringing a sense of movement as they hang freely.

Inspired by a grape motif in early Georg Jensen silverware, the Moonlight Grapes collection artfully combines references to the natural forms so prevalent in Art Nouveau with a graphic boldness.

The earrings are beautifully crafted from sterling silver with an oxidised finish. They are suitable for pierced ears.
