Product information "Earrings sterling silver 925"

Manufacturer: Georg Jensen

Designation: Earrings

Series: Moonlight Grapes

Year of creation: 2020

Dimensions: 15 mm

Material: 925/000 sterling silver, oxidized

An abstract bunch of grapes made from sterling silver beads forms this pair of bold ear studs. Referencing the natural forms seen in the highly decorative Art Nouveau period and featuring an oxidised finish that accentuates their sculptural shape, the earrings are a modern interpretation of a timeless style. Wear classically as a pair or mix with other studs for a more contemporary look.

The earrings are expertly crafted from sterling silver with an oxidised finish. They are suitable for pierced ears.
