Christofle, Graphik, Champagne cooler, silver plated

The Champagne cooler is part of the Graphik series by Christofle, which focuses on unique crystal glassware and barware. The sophisticated design with the memorable, geometric cuts at the base of the cooler is both modern and classic. The mirror polish of the high-quality silver plating sets a special scene for fine bubbly wines and keeps them cool for a long time. With a height of 22 cm and a diameter of 20 cm, the cooler with its two rounded handles is a piece that transforms the enjoyment of champagne into a unique, elegant experience. It can be ideally combined with the other products from the collection, such as the ice bucket.

About Christofle

With the Graphik series, the design studio of traditional company Christofle extends its exceptional craftsmanship to crystal glass and bar products. The hand-cut design with geometric cuts in vertical and horizontal arrangement is characteristic of this contemporary series. The modern and sophisticated design convinces through its exclusive signature and immediately enhances any environment.

The traditional French company Christofle is a master in the processing of silver. With passionate craftsmanship and perfection, the luxury brand produces exclusive cutlery, as well as tableware, jewelry, accessories, barware and home decoration in its manufactory in Yainville in Normandy. In doing so, Christofle combines tradition and expertise from almost 200 years of company history with the highest quality, elegance and zeitgeist in its exquisite products.
