Nanis, ring 750 – yellow gold 0.028 ct diamonds 4.75 ct aquamarine Dancing Azure

The Dancing Azure ring by Italian company Nanis is an ode to the symbiosis of sky and sea. The 18 carat yellow gold ring has been intricately engraved using the burin technique and is crowned with delicate rows of brilliant-cut diamonds and a milky aquamarine. This piece of jewelry was created by the Nanis goldsmiths with love and technically sophisticated craftsmanship. It is a poetry of light, form and design – suitable for any occasion and look.

About Nanis

Nanis stands for Italian luxury of a special kind: modern designs, masterful craftsmanship, high-quality materials and the passion of designer and co-founder Laura unite in the aesthetic jewelry pieces. Founded in 1990 by Laura and her husband Piero Marangon, the company carries the vision to revolutionize the concept to jewels. The items of jewelry are refined all-rounders, not only thanks to their well-balanced manufacturing technique. Beautifully shaped, they combine beads of gold and aquamarine or classic diamonds – with elegance and simplicity, they are both versatile and expressive, depending on the taste and personality of the wearer.
