About Nanis

Nanis stands for Italian luxury of a special kind: modern designs, masterful craftsmanship, high-quality materials and the passion of designer and co-founder Laura unite in the aesthetic jewelry pieces. Founded in 1990 by Laura and her husband Piero Marangon, the company carries the vision to revolutionize the concept to jewels. The items of jewelry are refined all-rounders, not only thanks to their well-balanced manufacturing technique. Beautifully shaped, they combine beads of gold and aquamarine or classic diamonds – with elegance and simplicity, they are both versatile and expressive, depending on the taste and personality of the wearer.
