Limited Edition 1898

In 2021, Montblanc pays tribute to the visionary Enzo Ferrari: both motor racing driver and entrepreneur, he founded the legendary Scuderia Ferrari and established a global automotive empire whose name has become synonymous for superb quality a passion for speed. Made from metal and processed to appear like the structure of a "Ferrari 125 S" engine, this writing instrument pays homage to the meticulous construction skills of the Ferrari workshops. The cap top is crowned with a Montblanc emblem in resin resembling frosted glass and embedded in a metal grid. The back of the cap shows the prancing horse, the famous emblem of Ferrari cars. The clip in metal is adorned with a famous quote by Enzo: "You cannot describe passion, you can only live it." The fittings are refined with red lacquer – inspired by the very red of the first "Ferrari 125 S" car. The cone shows two important dates in the career of Enzo Ferrari.
