Sieger by Fürstenberg, Grand Cru Gold, White Wine Tumbler White Satin

The tumblers in the collection Grand Cru Gold from Sieger by Fürstenberg exude lightness and sophisticated craftsmanship. Thoughtful design meets the highest-quality materials, as the handcrafted porcelain tumblers glow from the inside with luminous 24-carat gold. This means they are neither dishwasher-safe nor microwaveable. In contrast, the white wine tumbler has a satin white decor with a special twist. The precision work of the rounded base means that only a tiny spot touches the table. When pouring a beverage or setting the tumbler down, the tumbler thus begins a dance of patterns and aromas guaranteed to spark lively conversation.
