Sieger, champagne goblet SIP OF GOLD: Beautiful Creatures, The Tigers

The champagne goblet "The Tigers" is part of the Sip of Gold – Beautiful Creatures series from Sieger by Fürstenberg. The collection is a tribute to five animal species from different corners of the world, which are symbols of the vulnerability of nature and its threat from climate change. The unique goblets are crafted by hand and, like all Sieger champagne goblets, are one-of-a-kind. In this version of the delicate white porcelain goblet, orange tigers majestically take center stage against a blue graphic. When holding a drink, the 24-carat precious metal inside the goblet creates subtle reflections that give the impression of liquid gold. The champagne goblets are neither dishwasher-safe nor microwaveable, and some of the proceeds from sales will be donated to the National Park Rescue animal rescue organization.
