Baobab, My First Baobab, scented candle 8 cm Gentleman

The 8 cm tall scented candle Gentleman from Baobab's My First Baobab collection is made from hand-blown glass and features a fine silkscreen decoration in platinum and blue, which reflects the typical color variations of classic menswear. With scents of rum, saffron and lapdanum, the single-wick candle adds a subtly masculine atmosphere to any setting over a burning time of 30 hours.

About Baobab

The first big trip, falling in love for the first time, the first flowers blooming in spring: The romance of first-time experiences takes on a special meaning in the "My First Baobab" collection. Fragrances gathered on journeys and evoking memories of special places – all in 1970s design in handmade glass vessels decorated with 9-carat gold and platinum.

A pinch of internationality, a splash of tasteful design and a large helping of high-quality materials: The recipe for success for Baobab's exceptional scented candles is anything but conventional. The Belgian company demonstrates the sophistication of European craftsmanship in harmony with minimalist mondial design – all in the form of candle creations that offer a unique olfactory experience.
